

Testimonial

Aagaz as community learning centre for more than past 5 years has evolve into a vibrant educational and development activity organization. Aagaz is dedicated to children and youth from disadvantage community for their learning and skill building through interactive classroom and computer aided support programme. I wish them a great success in all there programme. KB Kothari, Former Director, Unicef New York

Aagaz impresses me because of their of amazing ability to pool resources from those who have surplus and giving it those who need it the most. This is true empowerment of the marginalized section of the society. I wish them good luck.

Ashvini Vyas, CEO, Asha Kalp Organization

Many Children Need your support to continue their education.

Reg. No. 1073/Jaipur/ 2009-10

Aagaz Samazik Vikas Sansthan is a non-profit community based organization (Reg. 1073/Jaipur/2009-10) started in the year 2010. The prime objective of this centre is “Empowering Community Through Learning”. It is an organization, works to provide quality education to underprivileged children and run job oriented courses to train needy youth.

In urban areas , we see children of underprivileged section are advancing from one grade to another, yet many of them demonstrate reading and numeracy aptitude skills significantly below their grade level. In many cases, these children require additional teaching support from home, which parents are unable to provide as they themselves may not have received Any formal education. They Lack financial resources they unable to pay tuition charges.

Digital Community Learning Center (CLC)

■ Digital Classroom

Organization has setup a Digital CLC in needy area. The prime objective of this centre is to provide a platform for learning without any barriers. We use computers, TV, and Educational software designed by different organizations for improving leaning levels of children.

Currently we are running two community based centre in Jaipur and covering around 225+ needy children from 1st to 8th Std. Following are the Programmes run under CLC.

Learning Enhancement Classes

The learning support classes conducted in the centre for the age group 6-14 years children. The Objective of these classes is to improve learning levels of Children with supplementary Help using Self Learning Material. We focus on Science, Math & English Subjects.

Computer Aided Learning:- Enrich the process of learning for primary school children through the use of competency based educational computer games.

Digital Literacy as life Skill: Training on basic IT skills for upper-primary school age children using a training curriculum that focuses on developing skills and abilities to use IT tools in everyday life.

■ Second Chance Programme

With the support of Pratham Raj. Trust , The Second Chance programme for dropout students, especially girls, a chance to complete their Secondary School education acquire the skills necessary for employment. It is a 12 month programme that targets young girls and women between the age of 16-25 years who have dropped out of school and helps them pass their Secondary School Examination.

Apart from that we also aims to raise awareness about educating girls so that they can break the regressive barriers of caste and religion.

The role of this programme was further expanded to address the issue of high dropout rates among

students at the secondary school level. Studies show that close to 70% of students in India drop out before they reach grade 10.

■ Youth Training

Provide job oriented skills training options in IT enable & Retail services, with soft skill and workplace leadership that prepare youths with limited education to stay productive and complete in the marketplace.
